#### **Scope and Content**

The materials in FOIA 2016-0353-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2016-0353-F requested materials related to Suzanne Massie that include any correspondence or interactions with the George W. Bush administration, particularly regarding Russia.

This FOIA primarily contains discussions and drafts for a thank you letter written to Massie by Mrs. Laura Bush for a pair of books, draft and complete inventories for gifts retained by the Bushes, and emails discussing plans for Massie's involvement in a memorial for President Reagan.

**System of Arrangement**

The materials in FOIA 2016-0353-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – George W. Bush Presidential Electronic Records.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House's electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.

The following is a manifest of electronic records processed in response to FOIA 2016-0353-F:
